

May 13, 2009

Attached you will find the school supply list for next year. Some people like to go shopping and buy the supplies themselves. Others prefer to order their supplies online through Innisbrook and have them sent right to their home. Either way you choose to do it, you will find everything you need, here.

To order through Innisbrook, please order by July 1 to guarantee delivery to your home by the beginning of school. There are a few items that Innisbrook does not carry that you will need to shop for such as Kleenex or art supplies. The information to order through Innisbrook is on the opposite side of this page.

There are 2 lists for most grades. If your child is a returning student, you will pick the list for your child's grade for current students. If you are new to Edgewood, you will pick from the new student list for the particular grade. The difference between the lists is that items that are used each year such as rulers or clipboards don't have to be purchased every year. Those items are only on the new student list. Of course if your child needs those items you have the option to order the new student list.

If you have questions, please call.

Thank you,
Nina Goldberger 233-8841
